Project Description

PROJECT DESCRIPTION

According to the bank site information, up to EUR 50 million is allocated in favour of the Kyrgyz Republic to rehabilitate the irrigation water conveyance infrastructure in the country.

The Project will be implemented by the State Water Resources Agency ("SWRA") under the government of the Kyrgyz Republic.

PROJECT OBJECTIVES

The proposed Project will finance the rehabilitation of the irrigation water conveyance infrastructure, including on-farm canals, intake structures and pumping stations in Jalalabad, Naryn and Osh regions of the Kyrgyz Republic. The Project will include the construction and/or rehabilitation of the following infrastructure:

- water intakes,
- pumping stations,
- main canals,
- distribution network with a view to deliver water from rivers to a farm land.

As a result of the Project, approximately 8,700 hectares of new irrigated land will be available for farmers creating additional jobs for more than 14,300 rural residents.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
