Project Description

This project provides financing for the reconstruction of the last 67 km long Kurty-Kapshagai road section of the Almaty-Astana highway, Centre-South transport corridor in Kazakhstan. The project also provides for technical cooperation before the loan is signed to prepare local feasibility studies, procurement support, and technical and environmental and social due diligence (including the Environmental and Social Impact Assessment (ESIA)).

This loan is the EBRD's second extension under the Kurty Burybaital project.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
