Project Description

According to bank documents, the investment involves, provision of up to MAD 55m (EUR 5m equivalent) long-term loan to Al Dahra Morocco ("ADMO") and Al Dahra Morocco Factories ("ADFAC"), two companies organised in Morocco. The Co-Borrowers are owned by Al Dahra Holding, a leading global agribusiness player, headquartered in Abu Dhabi, United Arab Emirates, and specialised in the cultivation, production and trading of animal feed and essential human food commodities such as rice, flour, fruits and vegetables.

Proceeds from the Loan will enable the Co-Borrowers to finance the construction and commissioning of a new olive oil factory in the Fez-Meknes region in Morocco, for a total cost of up to MAD 55m (EUR 5m equivalent). The Project will enable Al Dahra to leverage on their existing olive farms in the Fez-Meknes region and aggregate other olive farmers in the region, to integrate downstream into production of olive oil mainly targeting the export market.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
