Project Description

According to the Bank's website, this project finances the construction of the 17.5km section on Corridor Vc between the town of Beli Manastir and Halasica Bridge, as well as purchase and installation of the relevant motorway equipment. It also finances the construction of a 5km motorway section between the town of Beli Manastir and the Hungarian border.

The total land required for the project is circa 260 hectares, affecting approximately 560 land parcels, predominantly of privately-owned cultivated land. Potential biodiversity impacts may be related to large quantities of sand material to be acquired from River Drava.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
