### Project Description

According to the Bank's website, this project will provide financing for the development of the Midia Gas Development Project that comprises the Ana and Doina gas fields located 120km offshore in the XV Midia Shallow Area.

The project will consist of 5 production wells, a sub-sea gas production system over the Doina well which will be connected through an 18km pipeline with a new unmanned production platform located over Ana field. A 121km pipeline will deliver the gas from Ana platform to the shore, where a 4.3km underground pipeline will connect to the new gas treatment plant.

According to the Bank, through the implementation of the Environmental and Social Action Plan and the Environmental and Social Management Plan, this project will be compliant with the European Bank for Reconstruction and Development's performance requests.

### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form, [http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en). You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
