Project Description

Project Description

According to EBRD website, it will be allocated two loans of up to US\$70 million, in aggregate, to FE Indorama Agro LLC to support its capital expenditure and working capital needs.

Project Objectives

The main idea of the project is based on supporting a significant private sector investment into the cotton farming sector in Uzbekistan. It will promote mechanized cotton harvesting and bring significant environmental and operational improvements including:

- Land leveling and alternative irrigation systems to optimize water use;
- Effective application of fertilizers;
- Upgrades of water delivery and melioration systems;
- Improvement of crops stock management.

The project is expected to strengthen competitiveness and enhance economic inclusion. The project includes significant operational restructuring in crop farming to facilitate improved operational efficiency and aims to introduce internationally accredited standards similar or equivalent to the Better Cotton Initiative for sustainable cotton farming in Uzbekistan.

1.ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
