Project Description

According to the Bank's website, this project provides municipal-guaranteed loans to public transport companies in Ukraine to facilitate public transport infrastructure developments in a number of cities across Ukraine. The EBRD will sign loan agreements with respective companies and guarantee project support agreements with respective cities. Each loan will be guaranteed by the respective municipality.

The investments will primarily entail the acquisition of new trolleybuses, buses, trams and metro cars as well as the modernisation of public transport infrastructure including automated fare collection, automatic vehicle location and traffic management systems.

Each sub-project will be subject to sub-project-specific Environmental and Social Due Diligence and Environmental and Social Action Plans.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
