## Project Description

According to bank provided information, the project involves the provision of up to TND 20,000,000 working capital loan to Compagnie Generale des Industries Alimentaires ("COGIA" or the "Borrower") to support its olive oil procurement and bottling operations in Tunisia (the "Project"). The Borrower is one of the few leading olive oil companies in Tunisia exclusively focusing on export of bottled olive oil, and 100% owned by one of the leading agribusiness groups in the MENA region, IFFCO Group, headquartered in Dubai, United Arab Emirates.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:

[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
