Project Description

EBRD is going to provide a loan in order to finance the the construction of a new passenger terminal Almaty International Airport and the refinancing of the acquisition of ALA and the associated fuel business entity Venus Trading LLP ("VT") by a consortium of investors led by TAV Airports.

PROJECT OBJECTIVES

The Project aims to expand the airport infrastructure and improve service levels at the Almaty International Airport complex. In terms of passenger numbers, ALA is the biggest airport in Kazakhstan (served 6.4 million passengers in 2019), yet does not meet international airport infrastructure standards. This Project will be the first large-scale foreign direct investment (FDI) in the airport infrastructure sector in Kazakhstan and the largest across the Central Asia region.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
