---

## Project Description

As stated by the EBRD, the project consists in the provision of a sovereign loan of up to US\$ 240 million (EUR 218.2 million) to the Republic of Uzbekistan for the benefit of the Committee for Roads under the Ministry of Transport, to finance the rehabilitation of 81 km regional road in the Horezm Region and construction of a bridge crossing Amu Darya River.

The project envisages the reconstruction of 81 km of the 4R156 regional road, including the bridge crossing the Amu Darya River, new grade separated junction and two weighing stations in the Horezm Region. The Project will contribute to improved resilience of the road to climate change, road safety, connectivity between settlements and reduced travel time.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:

[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
