# Early Warning System Green Economy Financing Facility (GEFF) Lebanon

EBRD-51381

### **Project Description**

According to bank documents, the Green Economy Financing Facility (GEFF) Lebanon will provide EBRD financing of up to USD 190 million for on-lending to local commercial banks. The framework will finance energy efficiency, renewable energy, and resource efficiency projects in Lebanon.

The framework is expected to contribute to the creation of a demand-driven, self-sustaining market for investments in high-performance technologies and services supporting a green economy in Lebanon.

#### **ACCOUNTABILITY MECHANISM OF EBRD**

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint\_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
