## Project Description

According to bank provided information, Candor is launching a capex plan of ca. TND 67.2 million (ca. EUR 21.2 million) which consists of (i) ca. MAD 165.5 million (eq. EUR 15.7million) investment in a new plant in Morocco and (ii) ca. TND 17.0 million (eq. EUR 5.5 million) in Tunisia for capacity expansion and process optimisation of its plant.

Project in Morocco: This investment in Morocco is driven by i) a dynamic local market, ii) a validated export potential to sub-Saharan countries out of Morocco. Landor decided to acquire 1.3 ha of land near Kenitra (in western Morocco) and to build a 6.1k sqm plant.

Project in Tunisia: This investment focus on capacity expansion and process optimisation of the plant in Khelidia (suburbs of Tunis). Landor is also planning investments in productivity, quality and safety in order to optimise the processes in its Tunisian plant and improve its industrial standards.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form, [http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en). You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
