EBRD-51857

MR3: Gaziantep Stormwater and Solar Project

### **Project Description**

According to the Bank's website, the project provides funding to the Municipality of Gaziantep to finance the construction of (i) critical storm-water collection and conveyance infrastructure for prevention of recurring flash flooding of the city centre and (ii) solar photovoltaic (PV) plants of 18 MW total installed capacity to supply circa 100% of the city's own consumption.

#### ACCESS TO INFORMATION

You can request information by emailing: accessinfo@ebrd.com or by using this electronic form: https://www.ebrd.com/eform/information-request

#### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint\_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/projectcomplaint-mechanism.html
