Ain Ghazal Waste Water Treatment Plant

Early Warning System

Ain Ghazal Waste Water Treatment Plant

EBRD-51888

Quick Facts

Countries	Jordan
Financial Institutions	European Bank for Reconstruction and Development (EBRD)
Status	Proposed
Bank Risk Rating	B
Voting Date	2022-07-20
Borrower	Hashemite Kingdom of Jordan
Sectors	Infrastructure, Technical Cooperation, Water and Sanitation
Investment Type(s)	Loan
Investment Amount (USD)	$ 8.00 million
Project Cost (USD)	$ 8.00 million

Project Description

According to bank provided information, the project involves the provision of up to USD 8 million loan to finance (i) the upgrade and expansion of the existing pre-treatment facility at Ain Ghazal Pre-Treatment Plant ("AGTP") from a peak capacity of 330,000 ms/d to 726,712 ms/d in order to accept and treat the expected incoming flows at AGTP until 2045, and (ii) the decommissioning of the redundant septic tank reception facility, which will be replaced by a new sceptic tank in Al Ghabawi.

Due to the rapid population increase in Jordan, primarily due to the influx of Syrian refugees since 2011, excess wastewater under peak flow conditions bypasses the facility and is sent directly to As Samra WWTP without pre-treatment. The project will provide an additional capacity of 396,712m3/d at AGTP to accommodate the expected growth in wastewater inflows to year 2045. The project will also support the decommissioning of the redundant sceptic tank at AGTP, and will include the installation of a modern odour control system at AGTP to minimise nuisance to nearby residential areas.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

ACCESS TO INFORMATION

You can request information by emailing: accessinfo@ebrd.com or by using this electronic form: https://www.ebrd.com/eform/information-request

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
