Project Description

Under this project, EBRD provides up to EUR 15 million to the Mersin Public Transportation for the procurement of 100 CNG buses including:

(i) 30 accordion-type and

(ii) 70 solo-type buses for the purpose of renewing the City's aging public transport fleet and to expand urban transport services in the City.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Private Actors Description

MUNICIPALITY OF MERSIN

Mersin Metropolitan Municipality ("MMM", or the "City") is a municipal entity located in southern Turkey, and governed under the Turkish Municipal Code. Mersin is the 11th largest city in Turkey in terms of population (1.9 million) and is considered a large refugee host community with a total of 262,270 Syrian refugees residing in the city (14% of the total population), which is placing additional strain on access to public and infrastructure services.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
