Investment Type(s)	Loan
Loan Amount (USD)	$ 3.05 million

Project Description

According to the bank website, "The project will support investments in SMEs to upgrade production facilities and comply with EU Directives in the field of environmental protection, workers' and product safety and product quality. The investments will be selected based on the technical and financial eligibility criteria set forth in the Policy Statement for the Regional SME Competitiveness Support Programme. Support to SMEs is tailored as combination of access to finance with TC and non-TC assistance. At least 60% of the use of the proceeds will be directed towards financing GET-eligible investments in line with the Policy Statement."

Investment Description

- European Bank for Reconstruction and Development (EBRD)

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
