### J55 Vilnius Warehouse Development

### **Project Description**

According to the Bank's website, the project consists of the provision of a senior loan of up to EUR 8.0 million to UAB Liepvita, to be provided alongside an equivalent loan from a parallel lender for the construction and operation of a multi-phase warehouse development project in Vilnius, Lithuania ("J55" or the "Project" ).

The Project is being developed and managed by UAB Sirin Development (the "Sponsor" or "Sirin"), one of the largest regional real estate developers that operates in Lithuania and Latvia.

The proceeds from the loan will be used to retroactively finance two completed, operational warehouse assets with a total GLA of ca. 36k sqm in Vilnius, Lithuania, thus supporting the development of A-class sustainable real estate in the country.

#### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint\_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
