## Project Description

According to the Bank's website, the project provides funding to the Electric Networks of Armenia to finance modernization of the power distribution infrastructure in Armenia, targeting primarily, among other areas, the two largest cities of Armenia - Yerevan and Gyumri.

The Project is an extension to the USD 80 mm loan provided in 2017 for implementation of the Phase 1 of the 10-year (2016-27) investment programme of Electric Networks of Armenia.

Key environmental and social risks relate to waste management and impact on biodiversity.

### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:

[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
