Project Description

According to bank provided information, the stated investment involves the provision of a senior loan of EUR 39m to Orange Egypt for Telecommunications S.A.E. ("Orange Egypt" or the Company"), one of the leading mobile network operators in Egypt and a subsidiary of global telecom operator Orange SA.

Orange Egypt intends to use the proceeds from the loan to finance the acquisition of a 5G license from the NTRA (National Telecommunications Regulatory Authority), which would allow the Company to provide 5G services to consumers and businesses in the country.

The project objectives are:

- Improved access to best-standard mobile technologies
- Increased mobile broadband speeds across the Company's network
- Energy usage and CO2 emission (Scope 3) reduction

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
