Project Description

According to the Bank's website, the project consists of the provision of a senior loan of up to US\$ 0.5 million (in MNT equivalent) to VisionFund NBFI LLC in Mongolia under the EBRD's Local Currency Programme. The loan will be provided in two equal tranches as part of the Central Asian Women in Business Programme (CA WiB) for on-lending to women-led micro, small and medium-sized enterprises.

The project objective is to promote and support women entrepreneurship in Mongolia and, more broadly, women's participation in business by assisting women-led micro, small and medium-sized enterprises (MSMEs) to access finance, know-how and advice, including in the country's regions. The financing gap is a major obstacle in enabling the transition of women-led MSMEs.
