Project Description

According to the Bank's website, EBRD invested EUR 30 million in senior non preferred bonds placed by mBank S.A. as part of a EUR 750 million Green Bond issuance to be listed on the Luxemburg Stock Exchange. The bonds have a 4-year maturity with a call option in 3-years' time.

The project supports the resilience and regulatory compliance of mBank, the fifth largest commercial and systemically important institution in Poland, building resilience to market shocks by contributing to the gradual build-up of its loss absorption capacity in the form of eligible bail-in-able instruments. The project also delivers on the Bank's green agenda and national green economy priorities for Poland.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
