DFF - IE Energy Storage and Virtual Power Plant

Quick Facts

Countries	Croatia
Specific Location	Sibenik
Financial Institutions	European Bank for Reconstruction and Development (EBRD)
Status	Approved
Bank Risk Rating	B
Voting Date	2024-11-22
Borrower	IE-Energy Projekt d.d.
Sectors	Energy
Investment Type(s)	Equity
Investment Amount (USD)	\$ 17.45 million

Project Description

According to the EBRD, the project consists of a direct equity investment of up to EUR 16.8 million in favour of IE-Energy Projekt d.d., a joint stock company to be established for the greenfield development of an up to 60 MW battery energy storage system and Virtual Power Plant ("VPP") in Sibenik, Croatia.

EBRD's investment is approved under the EBRD Direct Finance Framework non SME. The Project also envisages an EUR16.5m capex grant from the EU Modernisation Fund as well as an equivalent investment from a financial co-investor.

Following the capital injection, the founding shareholder IND-EKO PLUS d.o.o. ("IND-EKO") will retain a majority stake and continue to lead the Company. The Project will utilise a VPP platform developed and implemented in Slovenia by NGEN energetske resitve d.o.o. ("NGEN"), an experienced party already operating in the battery storage and VPP space. NGEN will take a 50% stake in in one of the Company's subsidiaries dedicated to VPP management and will provide the algorithmic electricity trading platform which will be used by the Company.

The proceeds will be used to support the Company's deployment of a BESS and VPP system in Croatia and its long-term growth strategy.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
