Investment Type(s) Loan

Investment Amount (USD) \$ 20.00 million

## **Project Description**

According to bank provided information, the investment involves the provision of up to USD 20 million senior unsecured working capital loan to Afia International Egypt (the "Company" or the "Borrower" or "Afia Egypt"), an Egyptian company engaged in the manufacturing and sale of edible vegetable oils and vegetable ghee.

The contemplated financing supports the Borrower's working capital needs for the importation of its main production input, edible oils, from the international markets. The Project strengthens the Company's resilience to the current and potential shocks from the external environment with growing food security threats in the SEMED region and foreign currency shortage in Egypt following the Russia-Ukraine war.

### **ACCOUNTABILITY MECHANISM OF EBRD**

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
