Project Description

According to the Bank’s website, the project consists of a senior loan of up to KZT 4.1 billion (EUR 8.5 million) to PPP Centre of East Kazakhstan Region JSC to complete the modernisation of the street lighting system in the city of Ust-Kamenogorsk via the construction of additional 6,000 spotlights along ca. 150 municipal streets in the City and its vicinity. The project will enable the City to cover its public area with a modern energy efficient street lighting system including suburban areas, where street lighting had not been introduced before. The project is expected to save around 60 per cent of primary energy and CO2 emissions compared with the baseline.

The Project is consistent with the Municipal and Environmental Infrastructure Sector Strategy (BDS19-069(F)), which calls for "increased access to essential municipal infrastructure focused onquality, resource efficiency, reduced environmental impact".

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
