Project Description

As stated by the EBRD, the Bank invested EUR 65 million (13% of the issuance amount) in a Green Covered Bond issuance of PKO BH, as part of an international issuance of EUR 500 million, that will be listed on the Luxembourg and Warsaw Stock Exchanges. This was the first international GCB issuance by a Polish bank and the first such out of the EBRD's EU countries of operation.

The Project promotes green financial intermediation through supporting green covered bond issuances of the largest mortgage bank in Poland. It also contributes to the capital market development in Poland and the resilience of the important financial institution in the country.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
