Project Description

As stated by the EBRD, the transaction envisages providing a long-term loan (up to 7-years including up to 2-years of grace period) of up to EUR 25m to the Borrower. The project consists of capex investments for capacity increase and modernization investments in the Company's Manisa facility as well as solar PV investment. The loan will benefit from the limited guarantee provided by Yildiz Holding, a prominent conglomerate with diverse business divisions in the food sector, alongside operations in retail and private equity.

The Project will enable the Company to reduce its GHG emissions from mitigating actions with the use of renewable energy (solar power plant) and resource and energy efficiency on the production process. The investment will allow the Company to increase production of a fully recyclable packaging material that is also able to utilise both recycled content and bio-based content. The GET share of the Project is 100%.

The Project aims to increase the Company's female workforce by 40%. The increase will be supported by improved diversity practices including external verification of HR practices (e.g. independent accreditation, business membership or audit programme). The client will undertake an external Audit of its HR policies including HR and diversity policies with Sedex and commits to act upon the key recommendations and diversity measures or targets for corporate leadership.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
