Project Description

According to the Bank's website, the project consists of the provision of up to EUR 21.7 million in P&E Investments Axiopoiisis & Anaptyxis Akiniton SA (the "Consortium"), alongside the Bank's existing client Dimand SA ("Dimand") and Premia Properties REIC ("Premia"). The Consortium will acquire a 65% stake in Skyline Real Estate Single Member SA (the "Company" or "Skyline") with the seller, Alpha Bank, maintaining the remaining 35%. Skyline will own a portfolio of ca. 460 real estate assets across different uses, location, size and condition (the "Project").

Skyline is a portfolio of diverse types of assets which requires segmented strategic approach to deliver value creation. The Consortium, having experience in investing, repositioning and managing similar assets, joined forces in a strategic partnership with Alpha Bank to optimise the portfolio through redevelopment, repositioning, leasing/releasing and/or disposing assets with the objective of creating an institutional portfolio comprising high quality, prime-location assets, of good commercial characteristics, prime tenants, efficient operation and sustainable returns.

Early Warning System Project Analysis

Categorised B (2019 ESP). Environmental & Social Due Diligence ("ESDD") for Skyline has been carried out by the review of Dimand's annual Environmental & Social ("ES") report for existing project which was judged as satisfactory; the completed E&S Corporate Questionnaire; and follow up questions. ESDD showed that Dimand's ES policy and procedures as well as their ES risk management capacities are sufficient to implement the project in compliance with the Banks's PRs.

Dimand's construction contractors, who are legally bound to comply with national ES and H&S requirements, are also obliged to incorporate requirement to comply with the same requirements in their sub-contacts.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
