Project Description

According to the EBRD, the investment will address the priority needs of Tbilisi City identified under the Green City Action Plan. The Project will finance the enhancement of the final capping layers and the installation of a landfill gas collection and treatment system at the Tbilisi Didi Lilo landfill.
The Project aims to contribute to an improved level of solid waste services and overall improved environment in Tbilisi. The Project will also bring landfill operations in line with the relevant EU standards.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Private Actors Description

As stated on the company's website, Tbilservice Group was established in 2007 by the Tbilisi Municipality and its share in the Company's capital is 100%. Legal status is defined by the Georgian law as – Limited Liability Company. ACCESS TO INFORMATION

You can request information by emailing: accessinfo@ebrd.com or by using this electronic form: https://www.ebrd.com/eform/information-request

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
