Project Description

According to the EBRD, the project consists of the provision of a senior secured loan up to EUR 15 million to Eurasia Bottlers, a leading local energy drinks producer in Uzbekistan. The funds will finance the increase of the existing production capacity by building a new plant and installing new bottling lines in its principal business location in Tashkent.

The Project will enhance the competitiveness of the company by supporting the capacity expansion and the installation of new bottling lines that will facilitate local production and reduce imports of energy drinks to Uzbekistan. The project will also support the construction of a new BREEAM In-Use (Good)-certified production facility, which will become one of the first certified green buildings for idustrial purposes in Uzbekistan. The Company will also purchase and adopt energy efficient and renewable energy generation technologies that will reduce energy consumption and partially address its own energy needs.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
