### Project Description

As stated on the project disclosure page, the EBRD provided up to EUR 70 million long-term loan to Turk Traktor ve Ziraat Makineleri A.S. to implement a capex programme that includes (i) modernization of existing manufacturing plants located in Sakarya and Ankara for the implementation of EU Stage V compliant engine production, as well as associated R&D; and (ii) installation of a greenfield rooftop solar plant at Sakarya plant with an installed capacity of 4.3MW.

The Project will enable Company to produce engines compliant with EU Stage V emission standards hence will result lower emissions and increase renewable energy consumption. In addition, the Project will help the Company to strengthen human capital and gender equality by promoting more open and equal economic opportunities in a traditionally male-dominated sector. This will be achieved through upgrades of HR policies and practices with the view to achieve greater workforce diversity among both white and blue collars.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:

[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
