## Project Description

As stated by the EBRD, the project consists of an indirect equity investment of EUR 75 million in the context of the primary share capital increase of R.Power S.A., a Warsaw-based utility-scale renewables developer and independent power producer, with activities mainly in Poland, with a smaller fraction of expansion projects located outside of Poland.

The investment is part of the EUR 250 million investment round led by the Three Seas Initiative Investment Fund S.A. SICAV-RAIF, a fund targeting key infrastructure projects in CEE, exclusively advised by Amber Infrastructure Group, a UK-based specialist international infrastructure investment manager.

Following the capital increase, the founding shareholders of R.Power will retain a majority stake and continue to lead the Company.

The EBRD investment is subject to merger control approval.

The proceeds will be primarily used to support the Company's long-term growth strategy and deployment of renewable energy capacities in Poland and Romania.

## Investment Description

- European Bank for Reconstruction and Development (EBRD)

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:

[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)
