Project Description

As stated by the EBRD, the project consists in the provision of a sovereign loan of up to EUR 150 million, tranché, for the rehabilitation and widening of the M2 Chisinau ring road - section 2 (Tranche 1) and the rehabilitation of the M1 Chisinau to Leuseni road section (Tranche 2).

The Project will support Moldova's economic development and bring operational efficiency from improved regional road infrastructure through the rehabilitation of the key road network. Financing will continue to support the Government's efforts to halt the deterioration of the road network in Moldova; ensure key road links are maintained to acceptable standards to facilitate economic growth, regional integration and trade, including the flow of goods via Moldova; and support the reform of the road sector.

The Ministry of Infrastructure and Regional Development will implement the Project through the State Road Administration.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
