Project Description

As stated by the EBRD, the project consists of a senior unsecured loan of up to USD 108 million to Yapi ve Kredi Bankasi under the Turkiye-Disaster Response Framework, a framework for Turkish banks to support livelihoods, jobs and human capital in the South-Eastern provinces of Turkiye, affected by the February 6, 2023 earthquakes. The EBRD proceeds will be channelled through YKB to support eligible private businesses and individuals directly impacted by the disaster, with an aim to address the most immediate funding needs of the local population in the affected cities.

The Framework constitutes the first and immediate phase of EBRD's emergency crisis response to the devastating earthquakes in South-Eastern Turkiye. It will channel EBRD funding via the Bank's existing partner banks in Turkiye to support individuals and businesses directly affected by the disaster.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
