Project Description

As stated by the EBRD, the project consists in the provision of a EUR 50 million senior preferred unsecured loan to Raiffeisen Bank Albania SHA (RBAL). The loan will have three tranches of up to EUR 20 million (Tranche A), EUR 10 million (Tranche B) and EUR 20 million (Tranche C). The EBRD loan is expected to mobilise additional senior preferred unsecured funding from an international investor.

The proposed Project aims to support the resilience and regulatory compliance of RBAL, a local systemic bank in Albania. The loan will also facilitate RBAL's expansion of lending to private small and medium-sized enterprises, including to businesses operating in less economically developed regions of the country. The bank will aim to allocate 20% of the proceeds to GET-eligible projects.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
