## Project Description

According to the Bank's website, the project consists of the provision of a senior unsecured loan in local currency of up to EGP 200 million (ca. EUR 6.0 million equivalent) in favour of Reefy Microfinance Enterprise Services. The loan is under the Egypt Youth in Business ("YiB") programme to on-lend to private youth-led and/or owned MSMEs in Egypt, particularly in remote regions. The loan will be accompanied by a comprehensive package of technical cooperation and investment incentives, funded by the European Union and EBRD Shareholder Special Fund, aimed at strengthening the capabilities of Reefy and the sub-borrowers while alleviating the impact of macroeconomic turbulences and inflationary pressures on end-beneficiaries.

The loan aims at opening up economic opportunities for young people and promoting their access to finance by supporting the development of youth-led and/or owned enterprises and the non-bank financial services industry in Egypt.
