### **Project Description**

According to the Bank's website, the project consists of an EUR 60 million senior secured loan in favour of Lan-Oil LLC, a limited liability company established in Ukraine. The loan will enable the Company to build the first greenfield, privately owned, biofuels project in the Ukrainian energy sector since the beginning of the war. The Project is sponsored by JSC Concern Galnaftogaz and OKKO Group, a leading distributor of transportation fuels in Ukraine.

The Project will contribute to Ukraine's energy security and energy sector decarbonisation by building a domestic source of fuel supply with 70% lower GHG emissions vs traditional fuel. The biofuel produced as a result of the Project is expected to be compliant with the EU Renewable Energy Directive (RED III).

# **Early Warning System Project Analysis**

Category B (2019 ESP). The construction of a biofuels plant similarly carries EHS risks which are well known to the Bank and which can be managed through effective risk management strategies.

### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
