## Project Description

According to the Bank's website, the project consists of a senior loan of up to EUR 75 million to Draexlmaier Group, an international automotive supplier headquartered in Vilsbiburg, Germany.

The project will support the client's investments in e-mobility and general capital expenditure in Romania, North Macedonia and Moldova.

The expected transition impact of the project stems from the following qualities:

**Green:** The project supports the expansion of production capacity in Romania for high-voltage harnesses and battery systems for electric vehicles.

**Inclusive:** The client will broaden access to market relevant skills by introducing new training programmes on emerging technical skills and new apprenticeship programmes in collaboration with local universities.

### Early Warning System Project Analysis

Category B (2019 ESP). Due diligence reviewed the client's supply chain risk management systems in light of recent German legislation in this regard. It was found that the client is in compliance with this regulation with assessment and reporting systems being in place throughout their countries of operation, and with independent review of suppliers risks and performance where appropriate.

### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:  
[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
