Project Description

According to the Bank's website, the project consists of a senior secured loan to Dunya Varlik Yonetim AS in amount of up to TRY equivalent of EUR 7 million, for 5 years including 2 year grace period, provided for acquisition of new on-performing loan ("NPL") portfolios in Turkiye. The loan will be provided in two tranches, Tranche 1 of up to TRY equivalent of EUR 4.2 million will be committed and Tranche 2 of up to TRY equivalent of EUR 2.8 million will be uncommitted.

The loan will support Company's acquisition of new NPL portfolios in the country in challenging macroeconomic environment including hyperinflation, weakening of Turkish Lira as well as impact of recent earthquake. With a weighted average life ("WAL") of 3.5 years, the loan will provide a stable source of long term funding for Dunya Varlik Yonetim AS and will allow for stronger participation in local sale of the portfolios.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
