## Project Description

According to the EBRD, the project consists of a Resilience and Livelihoods Guarantee, under the Resilience and Livelihoods Framework, in the form of an unfunded portfolio risk-sharing facility covering up to 50% of the credit risk in sub-loans with total value of EUR 50 million equivalent to be originated by Ukrgasbank in Ukraine. The RLG facility will be delivered in two equal tranches, with the second tranche being uncommitted.

The Project will include a sub-limit under the SME Competitiveness Programme in the European Union's (EU) Eastern Partnership ("EaP SMEC" sub-limit, assigned with a separate EBRD project number 54803) of up to EUR 10 million or 20% of the Covered Portfolio to finance long term capital investments of micro-, small-, and medium sized enterprises to upgrade their technologies and equipment to EU standards, including investments in sustainable and green technologies (at least 70% of EaP SMEC sub-limit), thereby enhancing businesses' competitiveness. Eligible sub-borrowers will also receive EU funded technical assistance and grant support in the form of investment incentives upon the completion of their investment projects.

The Project will support lending to Ukrainian private companies operating in the primary and secondary agriculture and other critical industries (inter alia food processing, retail, logistics), with the ultimate goal of preserving livelihoods in Ukraine.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:
