Mersin Wastewater Project II

Quick Facts

Countries	Turkiye
Specific Location	City of Mersin
Financial Institutions	European Bank for Reconstruction and Development (EBRD)
Status	Proposed
Bank Risk Rating	U
Voting Date	2024-10-09
Borrower	City of Mersin
Sectors	Law and Government, Water and Sanitation
Investment Type(s)	Loan
Investment Amount (USD)	\$ 38.30 million
Project Cost (USD)	\$ 76.60 million

Project Description

According to the Bank's website, the project consists of a senior unsecured loan of up to EUR 35.0 million to Mersin Water and Sewage Administration to finance the rehabilitation, expansion and construction of 6 (six) wastewater treatment plants ("WWTPs") and deep-sea discharge pipelines for 3 existing WWTPs. With this investment, the capacity of the WWTPs will be increased from c. 280,000 m³/d, to c. 400,000 m³/d.

The Project will support the wastewater treatment capacity of the city of Mersin that is strained due to the sudden population increase caused by the migration received from the areas heavily impacted by the devastating earthquakes which hit 11 provinces in South-Eastern Türkiye on February 6 2023.

Early Warning System Project Analysis

Bank risk rating not available at the time of disclosure.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

A senior unsecured loan of up to EUR 35.0 million to Mersin Water and Sewage Administration to finance the rehabilitation, expansion and construction of 6 (six) wastewater treatment plants ("WWTPs") and deep-sea discharge pipelines for 3 existing WWTPs.

Private Actors Description

As stated by the EBRD, MESKI is the public utility responsible for providing water distribution and sewage services in the provincial boundaries of Mersin, Türkiye. It is an affiliated entity of Mersin Metropolitan Municipality and operates with an independent budget.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
