Project Description

According to the Bank's website, the project consists of a senior loan of up to EUR 10.0 million, to be co-financed by: (i) an up to EUR 3.3 million investment grant from the EBRD SSF, (ii) an up to EUR 2.7 million (equivalent of USD 3 million) investment grant from the CTF GESP, and (iii) a local contribution from the City of Zhytomyr in the amount of EUR 1.0 million.

The Loan and the grant co-financing from the SSF and CTF GESP will be used to finance the acquisition of new energy efficient low-floor trolleybuses with autonomous drive and the acquisition of electric buses with charging stations, along with essential maintenance and diagnostic equipment.

The Bank's investment will enable the Company to expand its route network by adding 4 new trolleybus routes and 2 new electric bus routes, improving the quality of transport services for the population and ensuring a sustainable public transport connection between different areas of the City. Both the autonomous trolleybuses and electric buses will be the first of their kind in the City.

Early Warning System Project Analysis

Categorized B (2019 ESP). Project area implementation is limited to the urban area within the boundaries of the existing urban developments, and no sensitive ecological receptors or protected zones will be affected.

The Project will not have significant adverse social impacts to local communities or other project affected parties, nor will the Project require the acquisition of land or result in involuntary resettlement or economic displacement as construction and installation of electric charging points will be conducted within the existing footprint of Company's depots.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
