Project Description

According to the Bank's website, the EBRD invested EUR 35 million in a EUR 500 million senior preferred bond issued by Piraeus Bank SA. The bonds have a maturity of 6 years, with an embedded issuer call option after 5 years, and are listed on the Luxembourg Stock Exchange's Euro MTF market.

The project supports the resilience and regulatory compliance of a systemic banking institution in Greece, as well as its sustainable access to capital markets. Furthermore, the project encourages Piraeus's green agenda by requiring Piraeus Bank to allocate an amount equivalent to 180% of EBRD's investment to finance green projects.

Early Warning System Project Analysis

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
