## Project Description

According to the EBRD, the project consists of the provision of a senior loan of up to US\$ 1 million (in TJS equivalent) to Humo under the Financial Intermediaries Framework (FIF). The proceeds of the Bank's investment will be used for on-lending to local private MSMEs (EU definition) in financially underserved regions in Tajikistan, in accordance with the requirements of the FIF Policy Statement.

The MSME Loan IV will enable Humo to maintain diversification of its funding base, extend duration of its liabilities and expand financing of MSMEs in Tajikistan at a multiple of the EBRD financing.

Humo will expand its MSME portfolio, with a focus on reaching out to regional clients and attracting new clients. In line with the FIF requirements for large gap countries, Humo will commit to i) on-lend at least 30% of EBRD's sub-loans to new clients; ii) maintain the current share of regional SME loans by volume of 71%; iii) keep the share of NPLs below 5%.
