### Project Description

As stated by the EBRD, the project consists of an investment of USD 60 million in USD 300 million Basel III compliant Perpetual Subordinated Callable Additional Tier 1 Capital Note issuance by JSC TBC Bank. Notes will be listed on Euronext Dublin (Global Exchange Market) with expected issue rating of B2 by Moody's.

The proposed investment in AT1 Capital Notes supports the resilience of a systemic financial institution in Georgia by (i) strengthening its capital position to maintain prudent capital buffers, (ii) insulating the bank's capital base against the currency depreciation, and (iii) enabling uninterrupted lending to the real economy.
