Project Description

According to the Bank's website, the project consists of a Resilience and Livelihoods Guarantee ("RLG"), under the Resilience and Livelihoods Framework, in the form of an unfunded portfolio risk-sharing facility covering up to 50% of the credit risk in sub loans with the total value of EUR 30 million equivalent (the "Covered Portfolio") to be originated by Bank Lviv ("BL", the "PFI") in Ukraine.

The Project will be delivered in two equal tranches with the second tranche being uncommitted.

20% of the RLG is part of the EU4Business-EBRD Credit Line with incentives (this sub-limit is assigned with a separate EBRD project number 55297). The EBRD and the EU support investment projects of local small and medium enterprises ("SMEs") across the Eastern Partnership region. The EBRD enables financing of long-term capital investments of SMEs to upgrade their technologies and equipment to EU standards, including investments in sustainable and green technologies (at least 70% of the sub-limit), thereby enhancing businesses' competitiveness. The EU and the US complement the offer with incentive grants and technical assistance under its EU4Business initiative.

The Facility will be used to support lending to Ukrainian private companies operating in the primary and secondary agriculture and other critical industries (inter alia food processing, retail, logistics), with the ultimate goal of preserving livelihoods in Ukraine.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
