EBRD-55367

Kemin Balykchy Interconnection

Quick Facts

Countries	Kyrgyzstan
Specific Location	Northwestern part of Issyk Kul, Kemin, Balykchy town, Sarikamish village; Issyk Kul and Chui regions
Financial Institutions	European Bank for Reconstruction and Development (EBRD)
Status	Approved
Bank Risk Rating	A
Borrower	Government of Kyrgyzstan
Sectors	Energy, Infrastructure
Investment Type(s)	Loan

Project Description

As stated by the EBRD, the project consists of a sovereign loan to the Kyrgyz Republic, to be on-lent to the Joint-Stock Company National Electric Grid of Kyrgyz Republic (NEGK) to finance the construction of an approximate 53 km 500 kV overhead transmission line (OHTL) in Kyrgyz Republic between the existing Kemin substation (SS) in Chui region and a new substation named "Balykchy, SS", 6.4 km outside Balykchy city in the Issyk-Kul region.

The primary objective of the Project is to support evacuation of c.1 GW renewable energy power plants under development to the national power grid. Implementing the Project will also significantly improve the transmission networks' reliability, efficiency, stability, quality and security of the electricity supply.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Information on the investment amount not provided at the time of disclosure.

Private Actors Description

As stated by the EBRD, NEGK is the transmission and distribution systems operator, that owns and operates more than 10,000 km of power transmission lines of 110 kV and higher, as well as 190 substations with primary voltages of 500, 220 or 110 kV. NEGK is 98.63% owned by the state (65.3% by Ministry of Energy of Kyrgyz Republic and 33.33% by the Ministry of Finance of Kyrgyz Republic). The remaining 1.37% shares are owned by minority shareholders.

ACCESS TO INFORMATION

You can request information by emailing: accessinfo@ebrd.com or by using this electronic form:

<https://www.ebrd.com/eform/information-request>

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
