## 1.1 GW wind farm in the Gulf of Suez region

### **Project Description**

According to the bank-provided information, the project involves the provision of senior debt financing on a project finance basis of up to USD 200m (the "Loan") in favour of Suez Wind Energy S.A.E., a special purpose vehicle ("SPV") incorporated in Egypt for the purpose of constructing and operating a 1.1 GW wind farm in the Gulf of Suez region, Egypt (the "Project").

The Project will support the Egyptian government in achieving its renewable energy targets and will be among the projects delivered under the 10 GW renewable energy capacity objective of the Energy Pillar of the Nexus for Water, Food, Energy ("NWFE").

By providing clean energy at one of the most competitive wind tariffs in the region and beyond, this Project will advance Egypt's renewable energy transition while harnessing the exceptional wind resources in the Gulf of Suez. Additionally, the Project is expected to enhance the environmental characteristics of Egypt's power sector by reducing emissions of local pollutants and CO2, as well as lowering water consumption.

### **ACCOUNTABILITY MECHANISM OF EBRD**

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint\_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
