Status	Approved
Bank Risk Rating	B
Voting Date	2025-06-10
Borrower	Dachser Morocco
Sectors	Transport
Investment Type(s)	Loan
Investment Amount (USD)	\$ 22.55 million

Project Description

According to bank provided, the investment involves the provision of a senior corporate loan comprising of (a) a committed tranche of up to MAD 160 million (EUR 15.4 million equivalent) and (b) an uncommitted tranche of up to MAD 46.5 million (EUR 4.5 million equivalent), to Dachser Morocco (the "Client") to finance the construction of a new transport branch and logistics warehouse terminal in the Tangier region (the "Project").

The Project will facilitate the Client's operational expansion and growth to meet increasing demand, while improving cost efficiency. The Project encourages an innovative approach to logistics warehousing, supporting the Client in achieving their first-ever EDGE ("Excellence in Design for Greater Efficiencies") Advanced certified warehouse in Morocco.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Private Actors Description

Dachser Morocco is owned 99.9% by Dachser France, which is a 100% subsidiary of Dachser Group SE & Co. KG. Dachser Group SE & Co. KG is a family-owned business, domiciliated in Germany. Dachser Morocco has over 40 years of experience in the Moroccan logistics sector. Currently, the Client offers one-stop shop service with all the supply chain services included (transport, customs, storage) and has logistics sites at some of the most strategic locations in Morocco, including Tangier, Tangier Med port and Mohammedia and direct lines to 18 European countries (some of them being via gateways).

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
