Project Description

According to the EBRD, the project consists of the provision of long-term senior loan of up to \$100 million for the development, construction and operation of a solar photovoltaic power plant with an installed capacity of 445 MW on a site located in Bilasuvar region in eastern Azerbaijan. The Project will be developed by a newly established special purpose vehicle in Azerbaijan, which will act as the borrower for the project. Abu Dhabi Future Energy Company PJSC (Masdar) will act as the sponsor for the project.

The Project will add 445 MW of solar photovoltaic power generation capacity to the Azerbaijani power system. This would help substitute natural gas-based power plants and help the Government of Azerbaijan in meeting the renewable energy targets set in line with the country's commitments under the Paris Agreement. The Project will also result in strong environmental benefits with estimated annual CO2 emissions savings of up to 442,000 tonnes. This will assist the country in its low-carbon transition, reducing its current high reliance on thermal power generation.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
