

 Early Warning System

EBRD-55564

DFF - Dominari Group SLL

Quick Facts

Countries	Lithuania
Financial Institutions	European Bank for Reconstruction and Development (EBRD)
Status	Approved
Bank Risk Rating	B
Voting Date	2025-11-04
Borrower	UAB Dominari
Sectors	Industry and Trade
Investment Type(s)	Loan
Investment Amount (USD)	\$ 28.71 million
Project Cost (USD)	\$ 34.46 million

Project Description

According to the Bank's website, the project consists of a sustainability-linked loan (SLL) of up to EUR 25 million to Dominari Group, a leading Lithuanian producer of polyurethane foam and upholstery. The loan proceeds will be used for corporate investment purposes in line with LMA Sustainability-Linked Loan Principles, including the development of a sustainability framework. The Project qualifies as 100% GET.

EBRD financing supports the Group's expansion related to capital expenditures (capex) such as the construction of a new workshop facility and the expansion of working capital.

Early Warning System Project Analysis

Categorised B (2019 ESP). The proceeds of the Bank's investment will be used for corporate investment purposes in line with LMA Sustainability-Linked Loan Principles, including developing of sustainability framework as well as to co-finance the Company's expansion capex (construction of a new workshop) and expansion working capital.

The Client's main activity (production of polyurethane foam with activities in upholstery furniture market and PIR panels) is associated with environmental and social risks which are site-specific and can be addressed by means of implementing an Environmental and Social Action Plan (ESAP). Potential Environmental & Social (E&S) risks and impacts to consider associated to the Project are construction and operation related Environment, Health and Safety (EHS) issues (e.g. occupational H&S, air emissions, noise, solid hazardous and non-hazardous waste during both construction and operation), labour and working conditions, contractor management, operation and construction occupational safety, air emissions, resource and energy efficiency, stakeholder engagement and grievance management.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

A sustainability-linked loan (SLL) of EUR 25 million.

Private Actors Description

Dominari Group is a leading Lithuanian producer of polyurethane foam, founded in 2010 by industry professionals with backgrounds in furniture and chemical (foam) manufacturing. Leveraging their expertise in foam production, the Group has established a strong presence in the upholstered furniture market, where it ranks among the top players in the Baltic states, as well as in the production of PIR panels, rigid insulation boards widely used in construction.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
